Professor Chris Bigum BSc, Dip.Ed, PhD, is Dean of the Faculty of Education at Deakin University. I have always been broadly interested in the world as it has been remade via the deployment of computing and communication technologies of various kinds and have made use of these technologies to keep an eye on key thinkers, key writers, key centres around the globe. Thank goodness for RSS feeds now and before them email filters to manage the large number of discussion lists I kept an eye on.
